BOOK
EasyLanguage® Home Study Course

This self-paced, home study program is based on our popular EasyLanguage training classes offered online. It is designed to teach you EasyLanguage programming starting with the fundamentals and includes strategy trading concepts. The EasyLanguage Home Study Course comes with a link to web resources and video answers for all the challenge exercises.

TERMS AND CONDITIONS

This book/workbook is offered solely for educational and informational purposes to help you improve your abilities to use TradeStation software. No trading or investment advice of any kind is offered, and nothing written should be construed as trading or investment advice or a trading or investment recommendation of any kind. Examples shown are for illustrative purposes only.

*Applicable sales tax will be applied to all purchases made within Florida, Illinois, New Jersey, Ohio, and Texas.

For all orders within the United State, please allow 7-10 business days for processing and delivery after receiving confirmation of your order, your shipment will arrive via FedEx Ground. For all orders shipped outside of the United State, please allow adequate delivery and processing time. In order to complete your purchase, we require you to sign and date this form. By doing so, you verify your intention and legal obligation to complete this purchase, and authorize TradeStation and/or its affiliates to charge the specified amount to the credit card account you provided and deliver these goods to the address provided. TradeStation is committed to protecting the confidentiality and security of information we collect about consumers and customers. TradeStation's privacy policy can be viewed at www.TradeStation.com.

Please direct any questions or concerns to Client Services:
